New Knowledge Acquisition Assignment (100 points)
(This is an individual assignment)

A. Instruction:

Using the New Knowledge Acquisition Form (as provided in the class webpage), write a report of answering the question assigned to you. Note that all 4 steps have to be completed.

Academic Honesty: If any two or more submitted works are (almost) identical, all such works will be considered as cheated ones, and are subject to 0 point first and then to possible additional disciplinary action from the university.

B. Score Distribution and Rubric:

Step #	Description	Point Distribution (by the quality of the description)
Strategy	List at least 3 strategic thinking before search/research starts	25 15 5
Search/Research & Results	List at least 10 relevant search results with, for each, a link and a brief summary.	25 15 5
Facts Found	List or summarize most essential facts which are relevant to the question.	25 15 5
Reasoning	State the answer first. The, list or state the thinking/reasoning process which led to the answer from the facts found	25 15 5

C. Submission: Submit a typed report form in the following file name:
YourLastName_NewKnowledge.xxx

D. Submission due: 8:00pm Friday, March 28

E. Late submission Point Deduction (Maximum score by submission date)

Submission Time/Date	Maximum score
By 8:00pm submission date (F)	100
By 5:00pm submission date + 1 (Sat)	70
By 5:00pm submission date + 2 (Su)	50
After the above	0
