\* Students holding a Master's degree from a recognized accredited institution or an equivalent international institution may transfer no more than **24 graduate course credits with a grade of B** or better into the Ph.D. program, dependent upon approval of the Committee on Graduate Studies in the major department. Departments may approve transfer of credits for graduate courses, earned in other graduate programs, however, it must be the considered judgment of the department that the work is relevant and meets the objectives of comparable courses.

\* **Attach transcript(s) for the course credits (not research hours) transferred from Master Level studies. Maximum course credits transferrable are 24**
